

# Eastern Iowa Science and Engineering Fair

## Volunteer Interest Sheet

### Volunteers Wanted!

The Eastern Iowa Science and Engineering Fair would like to extend an invitation for you to assist us with the organization and operation of the next fair. If you are interested in donating some of your valuable spare time between September and March, we need your help!

We're looking for help in a variety of areas, including, but not limited to:

- Contacting potential judges prior to the fair.
- Helping with student and judging Registration on fair day.
- Helping with setup on the Friday night prior to the fair.
- Gaining publicity for the fair.
- Assorted Judging and Publicity committee tasks.
- Acting as a Finalist Judge to help determine the fair winners.
- Acting as a Division Lead to assist other judges on fair day.

If you're interested in volunteering for the fair, or would like more information, complete the information section below. You will be contacted in early fall.
